Vino music mood

Tell us your "musical mood" and we can suggest a suitable wine

Wine, mood and music.... how its all related?

A wine or a musical experience generates similar emotions. As in music, your desire in term of wine style not only depends on your taste but also on your mood and mindset. To help you to choose your wine we have created 6 different wine music mood categories which associate wine with music styles.

Easy pop

Easy to drink wine like pop music is easy to listen. These wines show appealing, fresh, crispy and juicy fruit characters. Don't look for high complexity, just enjoy. If you are in party mood, those wines will be for you!

Complex Rock

The fruitiness of those wines act like the entertaining melody of a good rock song. They are more complex than Easy Pop wines. The whites show some mineral character supported by a nice acidity that lifting the palate like a guitar riff from Carlos Santana. The reds are medium-bodied with a certain structure, the tannins and acidity play together carrying the rhythm like drums and guitars in rock music.

Refine classic

These medium-bodied wines show a lovely, refined aromatic complexity. They are more savoury, elegant and subtle than opulent. Like classical music, you don't need to be an expert to appreciate their finesse, but with a dash of experience you will be so pleased to interpret all the subtle notes of their melody. Taste and learn.

Senzual Jazz

Like a piece of Jazz music, you will be enchanted by the sensual smoothness of these seductive wines. They are round and unctuous and possess a certain volume. The whites are creamy whereas the reds are velvety with silky tannins. Perfect wines to relax, some of them show high level of complexity.

Heavy metal

If you feel like having an ACDC concert in your mouth, this is the music mood wine for you! These are bold wines, typically red rather than white – although we sometimes have a couple of white head-bangers! They are rich, fruity, chewy and as generous as the climate from where they were crafted. Big sound for big wines!

Masterpiece

Irrespective of style, from Beethoven's Fifth Symphony to Led Zeppelin's Stairway to Heaven, these are truly wine masterpieces. The level of complexity and balance reached in these wines is rare. Only few labels can even pretend to be in this category. Do you dare ?
